AMERICAN WATER RESOURCES ASSOCIATION

AWRA 2023 ANNUAL WATER RESOURCES CONFERENCE STUDENT POSTER COMPETITION

November 6-8 | Raleigh, NC

This conference is **one of the most diverse and inclusive conferences** in water resources management. AWRA provides you with **innovative, practical, and applied** water resource management solutions, management techniques, and **current research**. Enjoy the Community, Conversation, & Connection that is #AWRA2023!

IMPORTANT DETAILS!

- Poster abstracts may be submitted online at anytime through **September 12, 2023.** Submit yours at **www.awra.org/2023AnnualConference**.
- Early decision deadline is **June 16, 2023** with a guaranteed response by **June 30**.
- The Poster Competition will take place on **November 6**.
- Download the **PDF scoring rubric** to see the judges criteria.

The student poster competition is open to all students conducting water related research. Use this opportunity to discuss and share your research with professionals, researchers, and other students from around the world at a major national meeting!

If you conduct research in an area of water resources, consider sharing it with us!

- Special sessions in your field
- Discussion and feedback from your peers
- Community, conversation, and connections
- Stay current with the leading edge knowledge of water resources
